Harish Kumar Soni

Software Developer

2+ Years of exprience working as a Software Developer, aiming to continue grow and to achieve the heights from the view of the Organization, where I can enhance and sharp my skills.

EXPERIENCE

Coditas Technologies Pvt. Ltd

24th July 2017-Present

Some Overview of My Work:

- Design & Develop the idea into the reality. Includes designing of the UI MockUps to imlemention of the actual code.
- Till now I have worked on more than 8 projects and is still counting , where I have built 4 of the projects from scratch.
- Experience of working on multiple projects at the same time, in a single day. Currently the count is 3 :)
- Direct Cummunication with the client, from the start to end. responsible for requirement gathering and time management.
- Working on Full Stack Projects with SSR using Next.js/ReactJS and Node.js for the API Implementation.
- Got the client recommendation on the very first project on LinkedIn. :D
- Working as Technical Interviewer delivering best talent to the team :D
